There is no room for experimentation in the relocation of a modern functioning business. Every aspect of the move has to be planned and executed with great skill and expertise to ensure the impact on your business and its effectiveness is minimal. With nearly four decades of providing successful business relocations to a diverse range of businesses in the UK,

we have the confidence to guarantee the right solution for you.

At EXACT, our approach of always listening and learning from our experiences has helped us to develop pragmatic solutions; that bare our stamp of quality and value and always reflect our belief that every client, every business and every relocation is unique.

[exact] business moves tailored to your needs

Every business move is different. An obvious statement maybe, but a maxim that we at EXACT never forget. It is because we understand just how important it is to our clients that their 'way of doing things' is continued; that we ensure their business is relocated to its new location or premises with the minimum of disruption. Through our highly trained

- Pre-Move Planning
- Logistics Preparation
- Packing Specialists
- Data and Power Relocation
- Dedicated Move Managers
- Tailored Move Solutions
- Post-Move Service Satisfaction
- Building Protection & Security
- Environmental Waste Disposal Services
- Industrial and Specialist Movers

and flexible Move Managers and Move Operatives, your business move will be meticulously planned, swiftly executed and carefully delivered; and all in accordance with the agreed programs and budgets. We never leave anything to chance. To EXACT, moving your business is never an A to B operation.

Right from day one we knew exactly what was happening. The EXACT team filled us all with confidence, especially with their clear understanding of all our different and highly specific needs. They quickly created and subsequently implemented a highly workable move plan that everyone understood and felt they were part of.

In short, our move was a great success because it was planned, managed and completed as EXACT had agreed and promised. We have always regarded EXACT as an integral part of ICAP's present and future move planning and management team.
